

Leave No Trace Awareness Course:

Tanagh can deliver a 1 day Leave no Trace (LNT) Awareness Course from 10am-4pm. This is the prerequisite for the Trainer Course. The awareness course cost €45 pp + travel expenses if trainer has to travel. On completion of the course, a Leave no Trace Awareness Certificate will be awarded.

Course Summary:

The Awareness Session forms the third tier of Leave No Trace training. The course will be delivered through presentations with an experiential-based emphasis, in an outdoor setting.

Leave No Trace Awareness Sessions will cover the principles, ethics and mission of Leave No Trace.

- Principle 1 - Plan ahead and prepare
- Principle 2 - Travel and camp on durable surfaces
- Principle 3 - Dispose of waste properly
- Principle 4 - Practical methods of minimising fire damage
- Principle 5 - Leave what you find
- Principle 6 - Respect Wildlife
- Principle 7 - Respect other Visitors

What equipment do I need to bring?

Normal outdoor gear is appropriate as you will be indoors and outdoors
Packed lunch.

Those who complete a Leave No Trace Awareness Workshop are equipped to:

- Understand, promote and share minimum impact techniques with organisations, friends and family or community groups.
- Lead a discussion on outdoor ethics and help others explore their own personal outdoor ethic.
- Understand and explain why Leave No Trace is important in all areas.
- Understand and convey the purpose and mission of Leave No Trace.
- Recite and explain the seven principles of Leave No Trace.
- Understand the role and function of Leave No Trace Master Educators and Leave No Trace Trainers.
