

Leave no Trace Trainer Course:

Tanagh runs Leave no trace (LNT) Trainer courses over 2 days. The training course cost is €150pp + travel expenses if trainer has to travel. If you wish to complete the LNT trainer course you must have completed an awareness session. On completion of the LNT trainer's course the participants can deliver awareness sessions to school groups, summer camps, youth groups, friends and family.

Day 1: 9.30am-camping out

Day 2: 8am-3.30pm

Course Summary:

The course will focus on the delivery of the seven principles of Leave No Trace (LNT) and techniques for teaching. Participants will be asked to come prepared to do a short outdoors teaching session (15mins) on one of these principles or some other LNT specific topic. These topics will be sent to participants prior to attending the course.

The emphasis is to make this as discussion based as possible with practical methods used in an outdoor classroom and will be done as part of a journey on foot looking at a range of environments that lend themselves to highlighting the seven principles.

What equipment I need to bring?

Any props you may wish to incorporate into delivering your topic,

Normal outdoor gear,

Camping gear for overnight camp in the forest,

Food to prepare your own meals to include; lunch x2, dinner x1 suitable for camp session, and breakfast x1

What does my course fee include?

The course fee includes training, registration, LNT manual and certificate on completion of the course.
