Last Friday, a group of local children officially launched Tanagh's Outdoor Adventure Summer Camp Programme 2016 with the help of Seamus Treanor, Chairperson on Tanagh Board of Management. Tanagh's Summer Camp has been running so successfully since it first launched many years ago that if you don't book early, you may not secure a place.

And to top it off, only last week Tanagh Instructors were truly honoured to receive an award

from Monaghan County Council in the Youth Category for their services to local young people, providing them with positive lifetime childhood memories as a result of their Summer Camp experience at Tanagh.

The camps run weekly throughout July & August with Pick up points in Monaghan, Clones, Castleblayney, Ballybay and Carrickmacross.

The Camps are open to children and young people from 9 - 17 years who take part in a range of

water based and land based activities including kayaking, canoeing, banana boating, archery, climbing wall, orienteering, mountain biking and much more.

To find out more just log onto Tanagh's website www.tanagh-outdooreducation.com where you can access the full timetable & application form or contact Sharon, the Summer Camp Co-ordinator at Cavan and Monaghan ETB office on 047 30888 ext 201

Don't just read about it - Get On It! You'll not be disappointed!!!
