

Caring for Our Environment at Scoil Bhríde/Leitrim NS Tyholland

Thank you to Monaghan County Council and An Taisce for funding the recent 'Leave No Trace' workshop in Scoil Bhríde, Tyholland on Friday 22nd April 2016. The work shop facilitated by Tanagh Outdoor Adventure Centre was a huge hit with all of the pupils! Leave no Trace is about encouraging responsible enjoyment of our natural environment. The programme encourages people of all ages to take responsibility for their impact on the environment and other people, and introduces techniques that will help reduce those impacts. Thank you to everyone involved and huge congratulations to the pupils for their enthusiastic participation. The children are exemplary in their approach to helping improve our environment - Keep up the super work!
